### Air Pollution Advisory

The Environmental Protection Commission of Hillsborough County is issuing an Air Pollution ADVISORY due to elevated levels of the pollutant OZONE. This advisory is effective as of 4:00 pm today June 11, 2010. OZONE levels are expected to exceed 75 PPB for an 8 hour average at the SIMMONS PARK air monitoring station this afternoon and this represents unhealthy levels for sensitive groups. A level of 76 PPB for an eight hour average translates to an Air Quality Index of 101. Air Quality Index values from 101 - 150 are considered Unhealthy for Sensitive Groups. This advisory is in effect until dusk today. Individuals with pre-existing respiratory ailments, the elderly or the very young may want to take this into consideration when planning any outside activities. If you have any questions or need further information, please call: The Environmental Protection Commission, Air Management Division Tom Tamanini (813) 363-8815.
