

EPC's Citizens Environmental Advisory Committee

December 16, 2010

CEAC

- Established in 1988
- Have their own bylaws
- 17 appointed committee members
- Each EPC Commissioner appoints two members
- Each of the three municipalities appoints one member
- Serve 2 year terms
- CEAC meets “in the sunshine” almost every month at the EPC offices to discuss current environmental topics and listen to presentations

CEAC

General Functions

- Presenters include EPC staff and invited guest speakers from various companies and agencies
- Occasionally asks the Commission to take a position or asks the Commission to allow them to send a position letter
- Recommends potential Pollution Recovery Fund grantees
- Are asked to comment on EPC rule making

CEAC Appointments

- Commissioners will be contacted by the Clerk's office to appoint, reappoint, or replace your two allotted committee members
- No action required today
