CONDITIONALLY EXEMPT SMALL QUANTITY GENERATOR DISPOSAL OF HAZARDOUS WASTE

Environmental Quality (EQ) currently has a contract with the Hillsborough County Solid Waste Management Department to provide discount fees to Conditionally Exempt Small Quantity Generators (CESQG's) for hazardous waste disposal. CESQG's are businesses who generate less than 220 pounds (approx. 25 gallons) of hazardous waste in any one calendar month.

To dispose of your hazardous waste at EQ Inc., you must know the following:

1. **Before** you bring your hazardous waste to EQ inc., you must contact a **Customer Service Representative at (813) 623-5302** to make a delivery appointment and discuss any possible required testing.
2. EQ Inc. allows deliveries on **Wednesdays** between 8:00 a.m. and 12 p.m. only.
3. CESQG's may transport their own hazardous waste to EQ Inc. They are located at **7202 E. 8th Avenue in Tampa**. Please note that, if you generate more than 220 pounds of hazardous waste in any one calendar month, you must use a licensed hazardous waste transporter.
