SOIL THERMAL TREATMENT FACILITIES

This list provides general information on Soil Thermal Treatment Facilities who operate in the State of Florida. The Environmental Protection Commission does not necessarily endorse any companies appearing on this list, and the absence of a particular company does not imply prejudice or impropriety. In addition, placement on this list neither certifies nor implies that the companies are in compliance with all federal, state, and local environmental regulations.

EPC recommends that a prospective customer contact a number of companies for the best service and price. **These companies reserve the right to evaluate the extent of their services on a case-by-case basis.**

For general compliance inquiries, call the Hillsborough County Environmental Protection Commission (EPC) at (813)627-2600 or the Southwest District of the Florida Department of Environmental Protection (FDEP) at (813) 632-7600.
