INDUSTRIAL WASTEWATER TRANSPORTER LIST

This list provides general information on industrial wastewater transporters that operate in Hillsborough County. The Environmental Protection Commission of Hillsborough County (EPC) does not necessarily endorse any companies appearing on this list, and the absence of a particular company does not imply prejudice or impropriety. In addition, placement on this list neither certifies nor implies that the companies are in compliance with all federal, state, and local environmental regulations.

EPC recommends that a prospective customer contact a number of companies for the best service and price. These companies reserve the right to evaluate the extent of their services on a case-by-case basis.

For general compliance inquiries, call EPC at (813) 627-2600 or the Florida Department of Environmental Protection (FDEP) Southwest District office at (813) 470-5700.
