Air Pollution Advisory

The Environmental Protection Commission of Hillsborough County is issuing an Air Pollution Advisory due to elevated levels of the pollutant **OZONE**. This advisory is effective **immediately**, today **May 15, 2019**. We are experiencing elevated levels of ozone in Hillsborough County and expect levels to reach the Unhealthy for Sensitive Groups Air Quality Index range.

Air Quality Index values from **101 - 150** are considered **Unhealthy for Sensitive Groups**. Individuals with pre-existing respiratory ailments, the elderly or the very young may want to take this into consideration when planning any outside activities. **This alert remains in effect until dusk today**. Ozone levels typically decrease during the night.

The outlook for tomorrow is: Conditions which could lead to today's elevated levels may persist for tomorrow. If you have any questions or need further information, please call: The Environmental Protection Commission, Air Management Division **Alain Watson at (813) 627-2600 x1298**.
